Dr. Evelyn Madd holds up a bright red rose towards Cuddle Pants, watching the color slowly fade to grey scale.

DR. MADD
Cuddle Pants, look! It's done...
It's happening!

She starts laughing maniacally, then stands up and starts celebrating by tossing around confetti and streamers.

DR. MADD (CON'T)
(Laughing)
We did it! Take that, EvilTodd42!
Take that FBI! Take that, Stacy!
I'm a genius! I'm the best super
villain ever!

Her laughter, as well as sad music, continues over footage of various world monuments fading to grey. The montage ends with a store clerk throwing out an armful of crayons and markers.
